One big face: the game's own raccoon head knitted at two stitches per pixel across the chest, in real raccoon colours (charcoal mask, grey fur, cream brows and muzzle), wearing a Santa hat in the sweater's own colour. A ringed-tail band runs across the yoke, TRASHED PANDA sits on the back, and both sleeves are ringed charcoal and grey exactly like the tail.

VARIANTS

Colourways: Red, Green. Sizes: S–3XL.

PLACEMENTS

PIXEL ORNAMENT

$18 · Sublimation on porcelain, both sides · Printful: Ceramic Ornaments, 2-Side Print (circle, 2.99 in)

DESIGN

Three full-bleed porcelain discs: the Santa Panda face on snowy pine green, the climb to the top shelf seen from behind on a night sky, and passed out on the bathroom tiles with the hat hooked on one foot. The back of every ornament carries the wordmark and HOLIDAY 2026, so each year's ornament is a dated keepsake.

PLACEMENTS

Front: 900 x 900 px (3 x 3 in) square: cut circle 2.99 in: safe circle 2.6 in
